The Eastern States Section of the Combustion Institute (ESSCI) is pleased to provide financial travel support to students from ESSCI institutions who will be delivering oral presentations at the 11th U.S. National Combustion Meeting to be held in Pasadena, CA beginning March 24, 2019 and concluding March 27, 2019. The anticipated level of support is up to $250 per award, but this could be changed depending on the number of applicants.

Qualified students must be a current degree candidate at a university from the ESSCI at the time of the conference and must be accompanied by a senior co-worker or advisor, who is a co-author on the presentation and at the meeting. In addition, students must be delivering an oral presentation: students who are only co-authors on an oral presentation or delivering a poster presentation are not eligible for support.

To apply for ESSCI student travel support, please send the following information to Prof. Michael E. Mueller, Treasurer of the Eastern States Section of the Combustion Institute, via email (muellerm@princeton.edu) as soon as possible but no later than February 28, 2019 in order to determine the final budget. No exceptions will be made if the requested information is not submitted by the deadline.

- Student Name
- Name of Senior Co-Worker or Advisor in Attendance (must be co-author on presentation)
- Name of University
- Email Address
- Title of Paper
- Authors of Paper (Complete List)
- Abstract ID Number (e.g., 2TF-0338)

The checks will be distributed at the conference at a convenient time and location that will be communicated ahead of time. You must be present at that time to receive your support.

Any questions regarding travel support should be directed to Prof. Michael E. Mueller.
